Dear Parents,

Enclosed please find our Early Childhood application for the 2017-2018 school year. We look forward to you joining our synagogue and preschool family. Our outstanding teaching staff, along with our developmentally appropriate curriculum, has been the hallmark of our existence for well over 25 years.

As your children grow emotionally, socially, intellectually and physically, and make new friends, you the parents become friends as well. This interaction between children, parents and staff is what makes us a thriving community. We want your child to experience the joy of learning and growing at The Woodbury Jewish Center Vivien Grossman Early Childhood Education Program.

If you are a current WJC parent, we thank you for your continued support and involvement. We are always striving for excellence and depend on and appreciate your partnership and dedication. If you are considering joining our school, we cordially invite you to visit us for a personal tour. Please call for an appointment and we will be happy to show you our beautiful facility and answer all of your questions.

We are pleased to offer complimentary Synagogue membership as a benefit of joining our school. Please see the enclosed Membership letter and form for more information.

If you have any questions or concerns please feel free to give us a call. We look forward to seeing you soon!

Very truly yours,

Cindy Common
