

CHESED COMMITTEE WHAT WE DO

Be there for WJC members and community members during a time of need, is at the heart of what it means to be a caring Jewish Community.

Whether it be for life cycle events, celebrations, or sadly, during illness or death, our goal is to have a strong network for our members to be able to depend upon, and to create opportunities for members to give back in meaningful ways to their peers, friends, congregational family and community members.

We seek to share opportunities for growth– whether spiritually, socially, emotionally or educationally; through speakers, shared information and topical conversations throughout the year

JOIN US

The tradition of L’Dor V’ Dor relates to us, not only from generation to generation within our own immediate families, but within our Jewish community as well.

Maybe you are a founding family at WJC

Maybe you have grown married children

Maybe you are a recent “empty nester”

Maybe you have kids who have just entered school and have a few “spare hours” you can share

You may not realize it, but you have important life experience, career experience, and wisdom to share with the rest of us. We want you to help make a difference within our own WJC family.
